FAER - Integra SCHOLAR SEARCH PROGRAM 2023-2024

OBJECTIVE

On behalf of Prof D K Subramanian, President - Foundation for Advance of Education and Research (FEAR) , we invite you to participate in **FAER Scholar Program 2024**. FAER organizes this program to encourage innovation among the undergraduate engineering students from across India.

FAER has been conducting FAER Scholar Program for the past seventeen years successfully for UG students of Engineering College. The program is focused towards areas of **1) Computer Science, Data Science and IT 2) Cyber Security and safety 3) Artificial and hybrid Intelligence, collaborative working of humans with robots and AI 4) Mobile Communications 5) Renewable Energy Systems 6) Solutions engineering 7) Rural Technologies 8) Health care Technologies 9) Labour saving technologies for Women and 10) Ecology and Environment.**

Kindly inform your students and encourage them to participate in this prestigious activity. This will enhance the image of students and your institution also. The rules / poster / format for proposal are put up in our website www.faer.ac.in. Details of our previous awards are available in our web site. Kindly provide wide publicity and encourage your students to participate in this program, please.

Students submitting good proposals have a chance to get a small financial grant to execute them. The projects will become benchmarks of quality.

FAER Scholar Awards :

1st Prize - Rs 1,00,000

2nd Prize - Rs 75,000

3RD Prize - Rs 50,000

Dates to remember :

Last date to submit hard-copy of Proposal – 15th October 2023

Short-listed Proposal Announcement – 20th January 2024

We received good support from all of you for the previous years for the program. We hope you will co-operate with us in making this all-India effort a great success.
