FAER Scholar Award Program – A Multidisciplinary Engineering Innovation Challenge: 2025-2026

Proposal Format

1. Title of the Project :
2. College Name :
3. City and State :
4. Names of the Students :
5. Degree registered :
6. Branch :
7. Year :
8. Address (residential) :
9. E-mail address :
10. Phone / Cell no :
11. Name and Address of the College :
(including pin code) :
12. Web site of the College :
13. Phone No :
14. Name of the Supervisor /
Project Guide with E-mail address
and mobile Number :
15. Whether the students belong to SC/ST : Yes / No
(If Yes, a certificate from principal to this effect for
SC/ST students should be submitted)
16. Title of the Project (select a title
reflecting your proposed work) :
17. Area :
18. Relevance to the area
of the contest (Explain) :
19. Type of Project : Concepts /
(tick one) Experimental /
Application / Technology
Development / Computer based / Product
20. Objective of your project :
21. Brief description (at least a page long) :
22. Implementation Plan from
January 2026 to June 30, 2026 :
23. Existing Approaches :
(include literature available)

24. What is new in the project :
25. How is this proposal different from existing approaches based on :
 - Originally
 - Performance
 - Usability, affordability
26. References (Literature Survey) :
27. Approach to solving the problem (implementation details) :
 - Modelling :
 - Construction / :
 - Experiments / programming :
 - Testing :
 - Results :
 - System integration issues :
28. Support infrastructure required :
29. Likely problems that may be encountered :
30. Reasons why this proposal should be considered for selection - this is very important decision point - take some time to write this. Run of the mill statements like low cost etc., will not carry weight. :
31. Budget Estimate :

(Should not include equipment's, instruments, travel, software packages, books, etc., that are normally available in the college)

DECLARATION

We will take up this project if selected, for **FAER Scholar Award Program: A Multidisciplinary Engineering Innovation Challenge: 2025-2026** only and will not submit this to any other contest. We will comply with FAER's requests on submission of action plans, summary, monthly progress reports. We will regularly discuss with mentors and follow his advice. Mentors are there to help us.
